Other Matters

1. Deputy Director Tiffany A. Gonzalez relayed Mr. Northern's regrets as he was unexpectedly unable to attend this meeting.
2. Chairman Jordan and Deputy Director Gonzalez welcomed LCHA's newest Commissioner, Kevin Considine to his first regular Board meeting. Kevin was recently named the President and CEO of Lake County Partners. He was appointed by the Lake County Board on 3/14/17 as LCHA's Commissioner replacing Patrick Bruno. We look forward to drawing from his experience and knowledge and a productive working relationship.
3. Thank you to Commissioner Considine for providing the required Certificate of Completion for the Open Meetings Act Training from the Office of the Attorney General of the State of Illinois. (See Exhibit 10)
4. Mr. Northern attended The Community Leaders Forum for Solutions meeting on March 22, 2017. Topics included updates from outreach, housing for veterans and setting healthy boundaries.
5. Mr. Northern was very pleased to announce PHADA's 2017 Freedom & Civil Rights Scholarship has been awarded to Miya Ransom-Cox, a resident of LCHA's public housing. Miya will be receiving a \$5,000.00 scholarship. She will be honored on May 2, 2017 at the Stephen J. Bollinger Memorial Scholarship luncheon during PHADA's 2017 Annual Convention & Exhibition in Chicago. Dr. Jordan will be providing the invocation for the ceremony and I will be giving the opening welcome. LCHA has invited her family, as its guest to attend the luncheon. (See Exhibit 11)
6. LCHA is serious about giving back to its community. Human Resources Generalist Lefran Elgezdi has scheduled several events where staff may volunteer their time in support of agencies providing needed services for families. We hope you will be able to join us in any or all of these events. (See Exhibit 12)
7. Dr. Jordan and Mr. Northern attended NAHRO's 2017 Washington Conference March 26-28, 2017. They arrived armed with folders overflowing with the many accomplishments and proud moments of LCHA. They met with the offices of Senators Durbin and Duckworth and with Representatives Roskam, Hultgren and Schneider.

The Washington Conference is a great opportunity to learn the latest from Capitol Hill, HUD and the White House about the federal legislation and regulations that impact LCHA's ability to meet the needs of Lake County families. New HUD Secretary Dr. Ben Carson addressed the conference attendees and his speech centered on the following:

- Encourage more public private partnerships
- Wants to remove bureaucracy
- Said assisted housing programs are not going to be eliminated on his watch
- Infrastructure Bill will have a lot of resources for housing in it so don't get too concerned about

³ Freedom of Information Act. Open Meetings Act.

the President's "skinny budget" today

- *Building healthy communities, include clinics
- Support for low Income housing tax credits
- Stronger efforts on section 3 resident employment
- More job training programs

The Secretary finished up by saying there are three things we can all do to reduce our families likelihood of ever living in poverty. He said if you do all three of the following you'll have less than a 2% chance that your family will have to live in poverty:

1. Finish high school
 2. Get married
 3. Wait until marriage to have children
8. LCHA held the required Resident Advisory Board meeting for the purpose of inviting comment on our PHA Plan effective 10/1/17. Two sessions were held; 11:00 a.m. at Shiloh Towers, Zion (20 attended) and 6:00 p.m. at Beach Haven Towers, Round Lake Beach (30 attended). The only proposed change is amending our current Smoke Free Policy to be in compliance with HUD's Smoke Free Policy. Primarily, the distance from any building will be amended to 25 feet. The RAB summary is attached. (See Exhibit 13)
9. On Thursday March 30th 2017, the FSS team took a group of 26 youth ages 8-18 to tour the Illinois state capital. This trip was designed in an effort to teach children about the history of our state as well as provide an understanding of how state and local government works to keep them safe every day. Each aspect of this trip provided the youth with a new and exciting perspective on how legislation is created, passed, and enforced. This day trip was hosted during spring break and came at no cost to our participants. We feel that this was a unique opportunity because many youth will never receive the opportunity to engage in this critical process.

Our Group watched government in action at the capitol building and even received the opportunity to go onto the senate floor and sit in their state senators seats. They also learned about their own roles in a representative democracy and the processes that are available to them to enact change in their communities. Senator Melinda Bush, Representative Rita Mayfield, and Senator Sam Yingling greeted our group and spoke with them about what they are doing to support the district that we live in.

In addition to the governmental functions, the group also received the opportunity to visit the old state capital building and stand on the steps where Barack Obama announced his run for presidency. We also visited the Abraham Lincoln Presidential museum where the group learned about the life and legacy of President Abraham Lincoln.

Representative Mayfield followed-up by sending all the children a group picture and a thank you note. (See Exhibit 30)

10. LCHA is continuously improving and is committed to providing a positive experience to all who encounter the agency. In keeping with this mission, LCHA contracted with Bloodhart Consulting to provide community engagement forums during the week of April 3, 2017 The purposes of the forums was to allow our residents, community partners, LCHA Leadership, and Board of Commissioners an opportunity to share ideas, likes, concerns and recommendations

Each forum focused on the following:

- Provide a forum for key constituents to share opinions and ideas
- Gain a better understanding of the areas that LCHA is doing well and those areas that they need more focus
- Understand how we can better serve the community
- Deepen relationships with constituents (Residents, Community, LCHA Leadership Staff, and LCHA Board of Commissioners).

The consultant, Alison Bloodhart held 5 focus group sessions

- Resident sessions were held on April 5, 2017
- 1 (1.5 hour session at 11:00 a.m. at Shiloh Towers, Zion, IL)
- 1 (1.5 hour session at 6:00 p.m. at Beach Haven Towers, Round Lake Beach)
- Key community partners/social services organizations session (3 hours) was held on April 6, 2017 at the LCHA main office.
- LCHA Leadership Team session (2 hours) was held on April 6, 2017 at the LCHA main office.
- Board of Commissioners session (2 hours) was held on April 7, 2017 at the LCHA main office.

After the completion of the session, Ms. Bloodhart will re-compile the material including concerns and recommendations and provide a written report. LCHA will work as a team to create an action plan.

11. LCHA is once again grateful to the Lindenhurst Early Childhood Center for the donation of Easter Baskets for the distribution to our families. Director Frank Davis is committed to directing a school that seeks to provide opportunities for children to develop character, manners, social skills, academic abilities, community involvement, and provides a foundation that fosters a love of learning. We are indebted to his standards and generosity.
12. The 1st Quarter of 2017 Newsletter has been distributed packed with information and the wonderful workings of our agency. I hope you are as proud of our people as I am. (See Exhibit 29)
13. We were proud to work with the Lake County Building & Construction Trades Council, in conjunction with Great Lakes Construction Association and Northeastern Illinois Federation of Labor, as they continue its Giving Back to the Community efforts. They are handing out Easter dinners to families within the Waukegan Public School District. Service Above All Else! (See Exhibit 31)

Midlothian Manor - Update

On November 14, 2016 *Residents for an Engaged Community* filed an appeal with the Illinois Appellate Court and a Motion to Stay with the County Circuit Court to prevent the proposed use of Midlothian. On March 1, 2017 Judge Schippers denied the Motion to Stay.

The briefing of the case in the Appellate Court should be completed by June, 2017. A decision by that court will probably not be made until late, 2017 or early 2018.

Daniel Shapiro, Attorney for the *Residents for an Engaged Community* has filed an Opening Brief for the Defendants. It contains 104 pages. We will certainly provide it upon your request.
