Lake County Housing Authority is continuously working to upgrade our Public Housing communities. Most recently, Gurnee’s Almond Townhomes (pictured above and below) received all new siding, new windows, and new screen doors. We are also working on Millview Manor in Antioch to upgrade those same features.
June 17th of 2016 was certainly a night to remember! Held at Double Tree by Hilton Mundelein, this year’s Gala was filled with warm fellowship, music, dancing, fine cuisine, and inspiration.

Ever true to our motto, “Service Above All Else”, our Silent Auction raised funds for continuing education and scholarships for our Family Self Sufficiency participants.

Along with LCHA board members and staff, local elected officials, members of the community, and participants in our very own Public Housing program were in attendance, contributing to the event’s fun and success. Residents participated in a raffle where the winners were given free tickets to attend.
On March 21, 2016 many of our residents participated in our **Annual Volunteer Day**. This year, we chose to volunteer for “Feed My Starving Children” In Libertyville. Volunteers from the ages of 5 to 75 gave their time and efforts to pack up over 17,000 meals to distribute to less fortunate children around the world. Our residents share our values—Service Above ALL else!

On March 9th, The Family Self Sufficiency Team hosted and partnered with US Bank in a **Financial Education Workshop**. Hosted at the Waukegan Public Library, the workshop provided tools to increase income, avoid and/or get out of debt, and maintain financial independence.
This **Father’s Day** we were pleased to invite all the fathers out to an exciting, yet relaxing day of fishing. Those who attended enjoyed the beautiful, natural ambiance of Chain O Lakes in Spring Grove, IL. They also enjoyed the warm fellowships with other dads. Participants were able to acquire fishing licenses and take home their catches. It was a joyous occasion and it gave us great pleasure to honor men who play such important roles in their families and community.

We had a great **Mother’s Day** Celebration at Beach Haven Towers May 6, 2016! Thanks to Deputy Arrowood and his canine Duke of the Lake County Sherriff’s Dept. for coming out, everyone really enjoyed meeting them! Our staff thoroughly enjoyed celebrating these dedicated mothers.
Our friends at Orchard Manor had a great time “rocking out” to music from the 1950’s.

Tea Time at John Kuester Manor was an unforgettable experience. Everyone wore their fancy hats and clothing while they enjoyed tea and cookies on “fine china”. We look forward to doing this again!

Our pals at Shiloh Towers always enjoy our games of Bingo and their prizes.

Residents had an amazing trip to the museum! The trip to Kenosha was well worth it. Carthage College thoroughly entertained us with their play interesting displays, and stories.
