Tiffany A. Gonzalez
Interim Executive Director/ Chief Executive Officer

"I am honored to have the opportunity to lead Lake County Housing Authority during its transition. While change is a critical process for growth, I would like our clients, community, and LCHA staff to be rest assured the overall mission and vision of Lake County Housing Authority will continue to be Service Above all Else while delivering high-quality programs and services to the Lake County community."

housing programs and has proven her ability to effectively plan, manage, and guide the vision of Lake County Housing Authority's many programs and services.

In her role as deputy director, Ms. Gonzalez served as the Chief Operating Officer, responsible for administrative and professional oversight for the agency. She served as LCHA's 504 Coordinator, and Hearing Officer. Most notably, Tiffany was also responsible for supervising the financial and daily operations of housing programs administered by the Authority and ensuring compliance with applicable regulations, policies and procedures.

She implemented numerous strategic initiatives leading to Lake County Housing Authority's Public Housing Program earning High-Performer status (the highest designation bestowed by HUD) for three consecutive years. Tiffany has demonstrated strong leadership and a commitment to service above all else during her time as deputy director.

The combination of all experience has poised Ms. Gonzalez to take on the role as Interim Executive Director in which she will assume overall executive responsibility for the effective and efficient development of Lake County Housing Authority's mission and vision to include: the planning, directing, and coordination of legal, operational, and administrative facets of housing and community programs.
